Arlington Man Killed in Md. Boating Accident

Jul 24th - 6:01am

MILLERSVILLE, Md. (AP) - Authorities have released the name of the Arlington, Va., man killed in a weekend boating accident in the Severn River in Anne Arundel County.

The body of Daniel Pemsler, 24, was pulled from the water Sunday night.

The accident happened about 6 p.m Saturday. Maryland Natural Resources police say Pemsler was riding a tube that was being pulled by a boat. After he let go and was waiting to get picked up, another boat hit him.

Officials are investigating the incident.

It's the second time in a week someone has died on the river.
